

April 17, 2012 – Important Revision

## Discounted rate offering to Esopus Business Alliance members from AT&T Mobile

All EBA members with new or existing AT&T Mobile service are now eligible for an 8% discount on most monthly voice and data plans of \$30 and over. This discount also applies to anyone else that may be included in their own “family” plan or network.

Registration is necessary. To register, an EBA member must go to the AT&T store at 1137 Ulster Avenue (Rte. 9-W) Kingston. You must bring a print-out of your business profile page from the EBA website, [www.esopusbusinessalliance.org](http://www.esopusbusinessalliance.org) and your driver’s license. If you need to update your EBA profile info, which must have your name, contact us at [esopusalliance@gmail.com](mailto:esopusalliance@gmail.com).

The sales managers, Lisa Crinieri or Shayne, have our account info. Just mention our “Fan” code: 4029296. That’s it. No contracts and no need to change or upgrade any plans. The discounts should appear on your next bill.

There are also benefits for switching from another carrier to AT&T, including waived activation fees plus more. Lisa will be happy to discuss your options.

We’re proud to be able to present this offer as a benefit of membership in the Esopus Business Alliance.

Howie Slotnick, President
